Re: Salton Sea Unit 6 Geothermal Power Project (02-AFC-2) –
CURE Data Requests, Set Four (# 276-358)

Dear Mr. Hansen:

California Unions for Reliable Energy (CURE) submits this fourth set of data requests to the applicant for the Salton Sea Unit 6 Geothermal Power Project pursuant to Title 20, section 1716(b), of the California Code of Regulations. The requested information is necessary to: (1) more fully understand the project; (2) assess whether the project will be constructed and operated in compliance with LORS; (3) assess whether the project will result in significant environmental impacts; (4) assess whether the project will be constructed and operated in a safe, efficient and reliable manner; and (5) assess potential mitigation measures.

Pursuant to section 1716(f) of the Energy Commission's regulations, written responses to these requests are due within 30 days. If you are unable to provide or object to providing the requested information by the due date, you must send a written notice of your objection(s) and/or inability to respond, together with a statement of reasons, to both Commissioner Keese and CURE within 10 days.
